

SLIQUE™ ESSENCE

PRODUCT INFORMATION PAGE

Product Summary

Slique Essence combines the powerful essential oils of grapefruit, tangerine, lemon, spearmint, and ocotea plus stevia extract into a unique blend that naturally supports healthy weight-management goals when combined with diet and physical activity. These ingredients work together to activate olfactory receptors and may help suppress appetite and hunger between or during meals, especially when used in conjunction with Slique Tea, Slique Gum, Slique Slim Caps, or the Slique kit.

Slique Essence was formulated exclusively by D. Gary Young and was first used at Young Living's Nova Vita Center in Ecuador. The pleasant combination of grapefruit, tangerine, and lemon adds a flavorful and uplifting element to any day, while the added support of spearmint may support digestion.* Ocotea essential oil adds an irresistible, cinnamon-like aroma and may help when feelings of hunger occur. Stevia serves as an all-natural sweetener that provides a pleasant taste with no added calories.

Primary Benefits

- Satiating aroma helps control hunger*
- Supports healthy weight management*
- Uplifts and energizes*

Who Should Take Slique Essence Essential Oil Blend?

- Those looking to add an extra boost to their weight-management program*

** Daily Value (DV) not established.

- Those looking for help to control hunger*
- Those looking for an uplifting pick-me-up throughout the day

Suggested Use

- **Dietary Supplement:** Shake vigorously before use. Add 2–4 drops to 4–6 oz. of your favorite beverage, Slique Tea, or water between and during meals or whenever feelings of hunger occur.
- **Aromatic:** Direct inhalation preferred. Note: Stevia extract in this formula may impede diffuser performance.

Cautions

- Keep out of reach of children.
- If you are pregnant, nursing, taking medication, or have a medical condition, consult a health professional prior to use.
- Keep in a cool, dry place away from direct sunlight.

Did You Know?

- Adding a few drops of Slique Essence to Slique Tea may help control feelings of hunger throughout the day.*
- Slique Essence contains a natural sweetener called stevia (Reb A), which helps enhance taste without adding calories.
- Slique Essence is also part of the Slique kit, which offers a balanced approach to weight management.*
- Ocotea essential oil is exclusive to Young Living.
- Slique Essence may be added to more than just beverages—try it in yogurt and in salad dressings.

Complementary Products

- Slique Tea
- Slique Kit
- Slique Gum
- Slique Slim Caps
